

Kents Hill Friends Association

Who are we?

We are a group of parents, carers and teachers who raise money through a variety of fundraising activities and decide how best to spend this money to enrich the experience for the children in ways that would not otherwise be possible.

The committee holds meetings throughout the year at times to fit around those attending. The committee has the usual roles such as chairperson, treasurer, secretary as well as other members. There is no need to take on a particular role to be on the committee and it is possible to be on the committee even if you cannot always make the meetings. As well as the committee members there are a number of people who offer their help as and when they can and this is always appreciated.

Each year we raise money through events such as Christmas and summer fetes, cake sales, second hand uniform sales, Bags2School collections, a raffle and other planned activities. These events are enjoyable and important to help us to raise money for the children at the school. Previously, it has funded school trips, visits to the school by exciting workshops, new books, new toys and other equipment, as well as for larger long-term projects.

As a parent or carer of a child at Kents Hill School you are automatically a member of "Kents Hill Friends" and we will use the email or contact details you have given the school to include you in any information sent out, such as newsletters, events or requests for help.
